UNIVERSITY OF SOUTH CAROLINA Scholarship and Entrance Examinations.

The examination for the award of vacant scholarships in the University of South Carolina and for admission of new students will be held at the County Court House, July 8th, 1921, at 9 a. m. Applicants must not be less than sixteen years of age. When scholarships are vacant after July 8, they will be awarded to those making the highest average at examination, provided they meet the conditions governing the award. Applications for scholarships should be written to President Currell for scholarship application blanks. These blanks properly filled out by the applicant should be filed with Dr. Currell by July 5th. Scholarships are worth \$100, free tuition and fees, total \$158. Next session will open Sept. 14, 1921. For further information write.

President W. S. CURRELL, University of South Carolina, Columbia, S. C.

Ford, the small son of Mr. and Mrs. W. R. Gray, is real sick.

Mr. E. M. McElveen of DuRants and Mr. H. A. Plowden were in Georgetown one day last week on business.

Mr. T. B. Haynesworth, Jr., who has been ill at the home of his aunt, Mrs. W. C. Davis, is very much improved.

The small daughter of Mr. and Mrs. Joe Wells is thought to be a little better, although still in a critical condition.

Mrs. R. D. Ridgeway and children of Richmond, Va., are visiting at the home of their parents and grandparents, Mr. and Mrs. J. S. Ridgeway.

Mrs. F. O. Richardson left Monday for Columbia where she will meet with the executive board of the Baptist W. M. U.

Mr. A. J. Grooms was buried Tuesday of last week near Turbeville and on the following Friday his wife was laid to rest.

Ladies—when attending the Dubrow's Store don't forget to vote for the Civic League. Each penny you spend means a vote and your vote is wanted by the Civic League.

Mr. Arthur Lachicotte of Waverly Mills spent the week-end with his wife and baby who are still visiting her parents, Judge and Mrs. John S. Wilson.

The vice presidents of the Civic League are asked to make their collection of the dues for the Civic League for the year 1921 and hand them over to the treasurer at the earliest date possible.

Miss Eliza Timmons attended the commencement of Columbia College, her sister, Miss Mattie Timmons, was one of the graduates of the A. B. degree and also received a diploma in music.

Mr. and Mrs. R. D. Cothran and daughter, Ruth, left today for Jackson Springs, N. C., for two weeks stay. Miss Ruth will have as her guest during this time Miss Lillian Ervin.

Clayton Luce, who has been visiting his brother for several months and attending school here left for his home in Chicago Monday night. Charlie Davis accompanied him and will make a visit of several weeks. The boys are planning on having a great time.

"SKIRTS" SHOWN AT PASTIME THEATRE

The feature picture of the week at the Pastime Theatre is "Skirts" on Thursday, matinee and night.

Reports say that from the standpoint of sensational novelties alone, "Skirts" stands head and shoulders above any multiple Reel spectacle ever produced.

In "Skirts" you will find a great novelty for the Summer, a wonderful attraction for the Fall, and the Supreme money-maker for the Winter.

In its cast are to be found some of the foremost stars of the comedy world.

An army of America's fairest daughters—girls bewilderingly beautiful—is just one of the outstanding features of this hippodromic six act Sunshine Comedy sensation.

Were every other element omitted—were comedy, thrills and action thrown into the discard—its dazzling aggregation of loveliness would still make it the most sensational box office attraction ever issued by William Fox.

Hampton Del Ruth, long regarded as the premier Comedy director, wrote and produced "Skirts." To the thousands of exhibitors who have regularly shown his other comedies, this statement is sufficient in itself as a guarantee of a novelty extraordinary. But, as a mechanic can do his best work when provided with superlative material, Hampton Del Ruth was allowed to select the cream of Stars from all the Comedy World. Each has his, or her, individual following. And each has been provided with a role which fits his, or her, capabilities as the proverbial glove fits the hand. The result is to be found in the word perfection.

From the standpoint of sensational novelties alone, "Skirts" stands head and shoulders above any multiple

reel spectacle ever produced.

Train wrecks, airplane stunts, ripping, tearing tornadoes, auto escapades—all merged, with a background of three thousand of America's loveliest girls—these are the factors which stamp this Fox entertainment as the most noteworthy offering of the year.

"Skirts" will do more towards making permanent friends for the exhibitor than any production issued this year.

No stroke of showmanship was ever more enterprising, none more startling, than the obtaining of the world-famous singer Troupe of Midgets for the Fox Sunshine Comedy Sensation, "Skirts." By far the greatest aggregation of small people the world has ever seen, it was necessary for William Fox to close their season with a circus to obtain their services. In this marvelous production they are but another startling surprise in the wonderful pot pourri of the best of the world of entertainment could supply.

THE SOY BEAN

At this time when seed peas are so scarce and the price is so high, I want to call attention to the soy or soja bean as a substitute for cowpeas. As a matter of fact, I prefer the soy bean to the cowpea for most purposes, as I believe it will on the average make more hay per acre than will peas. The soy bean hay is at least equal and most authorities agree superior in quality to cowpea hay.

This being the case it is largely a matter of comparative cost of seeding the two crops that should influence one in regard to which to plant. In this respect the soy bean again has an advantage over the pea. As an acre can be planted with from less than half bushel to a bushel of seed depending upon the plan of seeding.

Where planting in stubble for hay a good way is to put them in with a grain drill or they may be sown broadcast. I prefer the former method as it will take fewer seed and will usually yield more hay. It will probably take around three pecks to the acre of seed when planted with the grain drill. Decidedly the best yield will be obtained however, if the beans are planted in 30 inch rows and given about one cultivation. Still fewer seed will be required where this plan is followed.

Do not plant the seed over two inches deep or you may fail to get a stand.

As a grazing crop for hogs, soy beans are also fine.

PAXVILLE ITEMS

Mr. Eugene Brown of Columbia spent the week-end with his parents. His sister Miss Emma returned with him Monday to visit relatives there.

Mrs. Annie E. Herlong went to Kingstree Saturday to visit her daughter, Mrs. A. F. Rodgers.

Messrs. R. B. Bradham, Ether Stone, W. M. Hodge, H. J. Tisdale, Jack Touchberry and W. R. Keels attended a Laymen's meeting of the Baptist church at Lynchburg on last Friday.

Several from here attended the Pinewood commencement exercises on Monday evening. Miss Eddie Bradham, the only graduate is very pleasantly remembered here, Paxville being her former residence.

Mrs. W. R. Keels, Misses Jessie Curtis, Grace Weinberg, and Amelia Curtis will spend Friday and Saturday at Elliott as representatives of the Missionary societies of the Methodist church to the Sumter district conference.

Miss Ethel Corbett has returned from Spencer, N. C., to spend the vacation period. She taught the past session in one of the city schools there.

Miss Sue M. Sprott of Manning spent awhile here on last Sunday.

Messlames W. R. Keels, J. W. Mims, Jr., Misses Daisy Corbett, Lucile Geddings and Mr. P. J. Corbett are canvassing the membership of the Methodist church this week in the interest of the educational campaign now on throughout Southern Methodism.

Mr. Ethan Stone gave a barbecue dinner at his home near town on last Saturday in honor of his father's birthday. Only the immediate family with a few friends were present, and the feast of good things was enjoyed by all.

FOR PRODUCING 4,000 CARS A DAY

Present Production Greater Than for Same Period Last Year.

Ford is building cars at full speed. And, according to an official statement from the factory at Detroit, the demand for Ford cars and trucks still exceeds the output, despite the fact that a new high level of production has been reached.

By the first of May the figures representing daily production were in the neighborhood of 4,000 a day, so the May schedule was set at 101,125 cars and trucks, not including the output of the Ford Canadian plant or any of the foreign assembling plants. The output mounted daily: May 12th brought forth 4092, the greatest number that have been produced in one day so far this year. Since the month has 25 working days, present indications point to a new high record.

A comparison of Ford production figures for 1920 and 1921 discloses the fact that for April 1921 the output was greater by 34,514 than for the corresponding month of a year ago. The output for May 1921 will probably overshadow May 1920 by between fifteen and twenty thousand cars and trucks.

Approximately 43,000 men are at work in the Detroit plant of the Ford Motor Company. The factory is operating on full time, six days a week and three shifts a day.

"We were never in a better condition than we are right now," said Henry Ford recently.

AN ORDINANCE

An Ordinance prohibiting flavoring extracts in the town of Manning in excess of One Per Cent of Alcohol or Ether, and providing a penalty for its violation.

1. That from and after the first day of July next it shall be unlawful for any person, firm or corporation to sell at retail any liquid flavoring extracts by whatsoever named called containing in excess of One per cent. of Alcohol or Ether and which can be used as a beverage, provided same shall not apply to Lemon and Vanilla extracts when purchased by a reputable housewife in person or by written order.

2. That any person, firm or corporation violating the provisions of this ordinance shall be deemed guilty of a misdemeanor and upon conviction thereof shall be fined not more than \$100 or imprisonment for not more than 30 days.

Ratified May 26, 1921.
W. C. Davis, Mayor.
T. L. Bagnal, Clerk and Treas.

It is estimated that of 24,000,000 school children in the United States 8,000,000 have defective eyes. That is one of every three children. That proportion is probably larger than found with the children in Clarendon County, but certainly there are many who need spectacles that are not wearing them.

The child's chances for getting the best from its school advantages are few if its vision is poor. You can have its eyes properly examined and fitted by
